

Distance learning, also known as e-learning, is an especially important topic to touch on this month. With COVID-19 so widespread, schools, libraries, and public spaces are all closing with no definite plans to reopen. It is important to keep on top of your student's education, and we are here to help!

In this month's **World Book Wired**, learn about all the resources we have to support you and your remote learning efforts.

DISTANCE-LEARNING RESOURCES

PLAY A GAME!

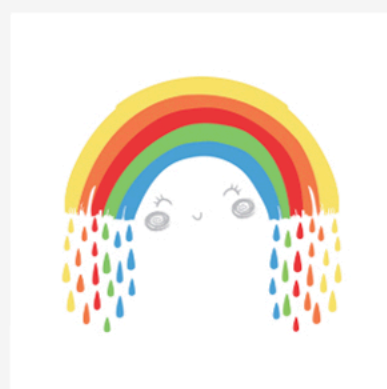

Head over to *Kids* to play such educational games as puzzles, matching, sorting, and crosswords.

TRIVIA NIGHT

Use the Trivia Games in *Student* to host your own trivia night. This is a fun activity that helps students stay sharp.

#RAINBOWHUNT

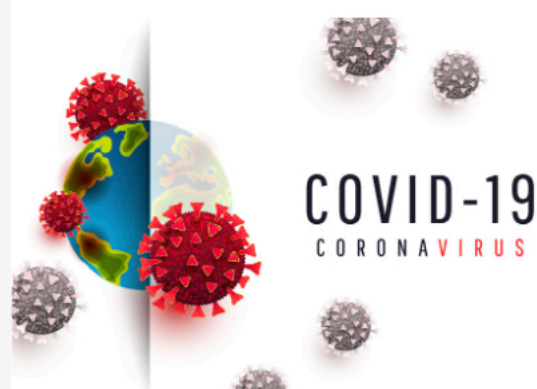

Brighten up your day with a rainbow in your window. Then head over to *Early Learning* to learn all about them!

We are offering complimentary access to ALL databases until April 30th, 2020. This includes World Book Wizard, our brand new resource that has tons of learning drills and assessments to help stay on track at home.

UP-TO-DATE & RELIABLE

World Book's editorial team is working around the clock to make sure that all of our information is up-to-date and reliable. New articles are added constantly, such as "COVID-19" and "Social Distancing."

REMOTE LEARNING GUIDE

We created an easy-to-use **guide** to support educators, parents, or anyone using our resources remotely. From Science Projects to WebQuests, we have distance-learning resources for all grade levels.
