

The WIRED logo is displayed in a bold, white, sans-serif font against a blue background. The letters are thick and blocky, with a slight shadow effect. The background of the entire slide is a dark blue with a subtle pattern of white circuit lines and dots, resembling a network or data flow.

## The monthly newsletter for World Book Online

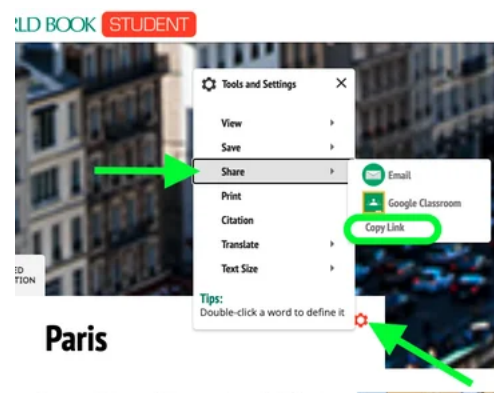

**Prepare for the  
Back-to-School  
Season with  
World Book Online**

As summer draws to a close, it's time to prepare for the upcoming school year! World Book is here to support educators and parents in their educational journeys by providing dependable, award-winning digital solutions, exciting new print series releases, and opportunities for professional development.

In this month's edition of World Book Wired, we are excited to share valuable resources that will help facilitate your transition back to school. For additional inspiration, feel free to explore [our teaching topic documents](#).

**Integrate  
World Book  
with tools you  
already use!**

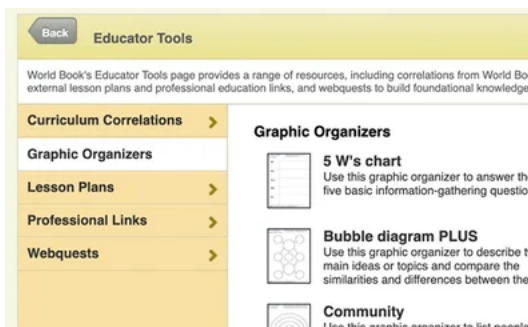

Share content using direct links or by creating assignments using Google Classroom. This will save students time and make sure they find the correct resource.

## Support for Building Blocks

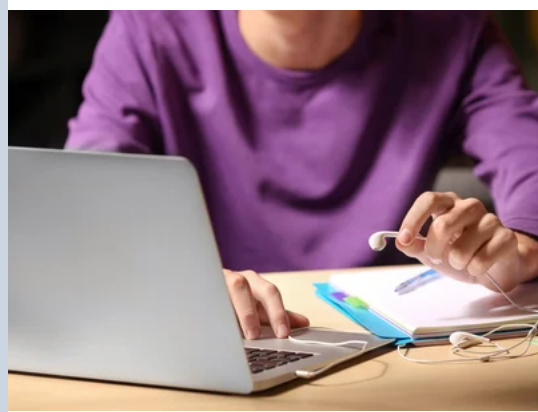

The [Building Blocks site](#) was created as a supplement to various Building Blocks sets for both educators and students. The site includes activities, games, discussion guides, lesson plans, and more!

## Educator Tools

Here you are able to search material by standard, find printable graphic organizers, lesson plans, and find ready-to-use WebQuests that come with a time-saving answer key!
