WIRED

The monthly newsletter for World Book Online

Embrace Summer Reading Fun!

With summer in full bloom, there's no better time to dive into summer reading! This season provides young readers with an incredible opportunity to explore a range of genres and subjects, broadening their perspectives and sparking their creativity. The CSLP summer reading theme, along with your local library, brings colorful stories and exciting activities to enrich your summer learning journey.

In this month's *World Book Wired*, we are excited to share a variety of ideas, book recommendations, and interactive activities to ensure kids have an unforgettable summer! For additional inspiration, feel free to explore our [teaching topic document](#) and [eBook title list](#).

Childcraft

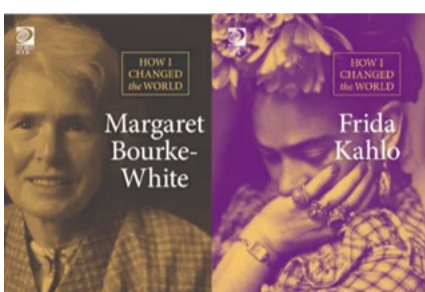

The **Childcraft** series offers a delightful blend of creative activities and engaging stories for young readers. By using everyday household items, it encourages hands-on learning and creativity. This series is available in print and [eBooks](#).

Crafts & Activities

Engage in a variety of crafts and activities from Early Learning and Kids. Whether you're coloring a picture online or crafting your very own clay statue, there's an enjoyable activity for everyone!

How I Changed the World

How I Changed the World reveals the struggles and accomplishments of individuals who made a lasting impact on history. Each volume highlights a renowned figure, such as *Frida Kahlo*, known for her vivid self-portraits and exploration of identity, and *Margaret Bourke-White*, celebrated for her pioneering photojournalism. These titles are available in print and [eBooks](#).

July Webinars

New eBooks

Tuesday, July 8th, 1:00 CDT

One of the main benefits of a World Book eBooks subscription is automatic access to our NEW World Book originals! Join us to learn about the new releases this year which include a brand new set, Indigenous Peoples of North America. We will also take a look at the different classroom resources available for these new titles.
