Check with your school or library to see if they have a subscription to *Discover* and how to log in.

WHAT RESEARCH TOOLS CAN I FIND ON DISCOVER?

- **My Research** is a virtual backpack that helps you stay organized. You can save articles, pictures, videos, special reports, and so much more. And best of all, you can access your My Research projects from home, at school, or at the library.
- **How to Do Research** will help guide you through your entire research process, from planning your research to evaluating your sources and presenting your project.
- The **More Information** tab in an article is an easy way to find related content, including more encyclopedia articles, websites, magazine articles, eBooks, and more.

CAN DISCOVER HELP ME WITH MY HOMEWORK?

Yes! World Book *Discover* has thousands of articles with reliable information to help you learn and complete your homework! In addition, you'll find tons of content in many formats, including videos and animations, maps, sounds, websites, and so much more!

WHAT ELSE CAN I DO ON DISCOVER BESIDES RESEARCH?

- Play hundreds of fun **games**, found on relevant articles, in your search results, or from the home page. You can even earn awards by playing!
- Explore fun facts and interesting topics with the "**Did You Know?**" and "**Today in History**" features on the home page, which update daily.
- Read an eBook! *Discover* integrates with **eBooks**, if it's included in your subscription. You can find fun eBooks to read linked to an article as well as in your search results.
- Ask World Book a question! **World Book Explains** videos feature experts answering questions sent in by students.
- Learn about the real world! The **Life Skills Center** offers practical tips on topics such as applying for jobs, budgeting, arranging housing, health care issues, social skills, and more.
