

Create a virtual space with

Make a Bitmoji

Download the Bitmoji app on your phone. Create a Bitmoji, make sure to personalize it!

**STEP
01**

**STEP
02**

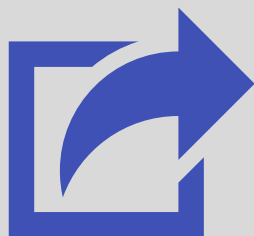

Install the Chrome extension

Sign in to your Bitmoji account on your computer and install the extension.

Design your space

Use Google slides to design your virtual classroom, office or library (Tip: watch a video tutorial on YouTube).

**STEP
03**

**STEP
04**

Add direct links

Lead students, parents, and patrons to specific World Book content using links.

Save & share!

Save the slide as a PDF and share with your users! As long as they are logged in, they will be taken directly to each location.
