HOW DO I COMPLETE A DRILL?

Click "Browse Drills" on your dashboard. You can search for a specific topic in the text box, or filter by subject area and grade level.

Once you begin a drill, read and answer the questions on your screen. You'll see the star in your progress bar move forwards or backwards, depending on how you answer. The drill is complete when you reach 100% proficiency.

Keep practicing to unlock fun rewards!

CAN I LEAVE A DRILL AND COME BACK TO IT LATER?

Yes! You do not need to complete a drill in one sitting. If you leave and come back, you can pick up where you left off!

WHAT IS THE DIFFERENCE BETWEEN A COURSE AND A DRILL?

A **drill** is an exercise to practice material for a single topic. A **course** is a collection of drills on a subject. Courses take longer to complete than an individual drill.

HOW CAN I EARN REWARDS?

You can earn fun rewards on *Wizard*, including badges and games, by completing drills and courses! You'll find these on the Rewards tab.

Wizard will tell you which drills and courses to complete in order to earn badges. Try to collect them all!

You can also unlock Legends of Learning games by practicing on *Wizard*. Once unlocked, you can find them in your secret game stash. These games are a secret, so *Wizard* will not tell you which drills/courses you have to complete to earn them. See how many you can find!
