### 1 Access Live Homework Help

As a learning enhancement tool within World Book Student, users can get after-school support from home or on-the-go.

### 2 Pick a grade and subject

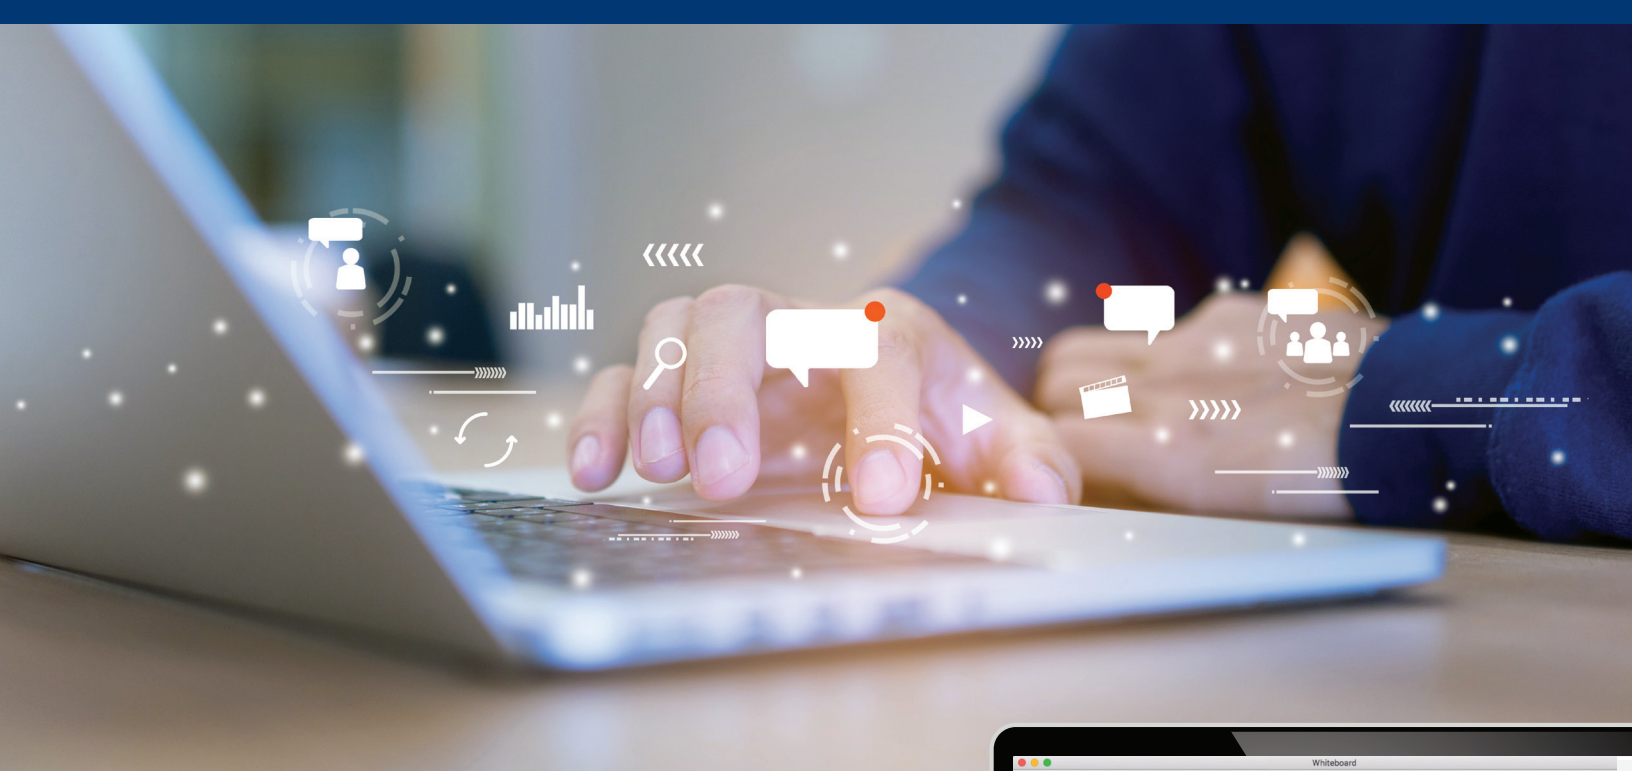

Covers a variety of subjects for 3rd-12th grade.

### 3 Match with a tutor

Do your students get enough 1:1 attention in the classroom? Get instant academic assistance from a specialized tutor that can help those struggling with a particular subject.

### 4 Meet in the digital classroom

Through a virtual whiteboard, students and tutors can communicate in real time with typing, drawing, and file-sharing capabilities as well as text chat.

Tutors don't simply give answers, they **help students understand** underlying academic concepts.

### Specialized Tutors

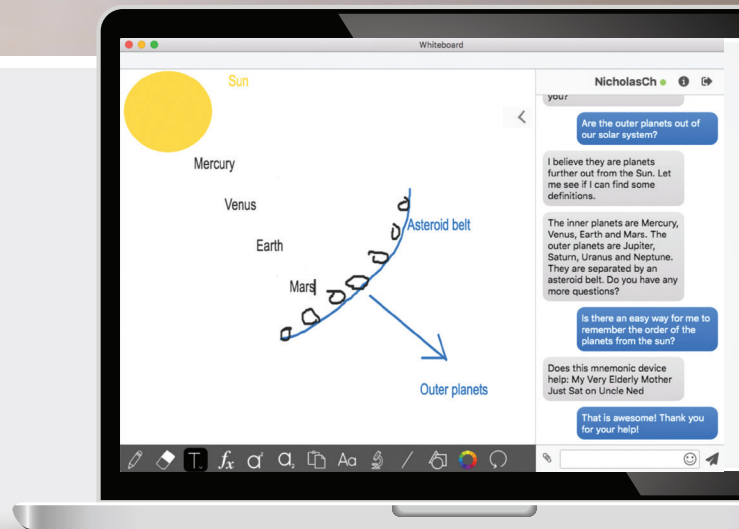

Over 2,500 high-caliber tutors undergo a multi-step evaluation and training process which includes:

- Resume review
- Online proficiency testing
- Background check
- Quality assurance procedures
- Interviews
- Simulated tutoring session evaluations
- Trainings

### Virtual Whiteboard

Through a virtual whiteboard, communicate in real time with the following capabilities:

- Instant messaging
- Equation editor
- Text editing
- Shapes
- Advanced math and science symbols
- Free-hand drawing
- Colors to organize and differentiate content

Connect with tutors instantaneously through text chat, drawing, and file-sharing capabilities.
