Did you know?

- You can search for articles by Lexile Level under Advanced search.
- Every article can be read aloud and translated into over 100 languages.
- The **More Information** tab on each article contains related articles, and other material such as games, questions, and activities.

Tips

Visit the **Educator Tools** section of Kids for lesson plans and WebQuests.

Check out the **Training Guide** for public webinars, tutorial videos, how-to guides, and more free material!

Cross the curriculum

Learn about a country.

- Build background knowledge - have students complete the WebQuest, "[Get to Know: Mexico](#)."
- Read about Mexico together in the [Mexico article](#). Use the **More Information** tab for discussion questions and to find related articles.
- Students can color the flag of Mexico and label major cities with [this printable](#) from **Outline Maps & Flags**.
- Use the **Compare Places** feature to compare and contrast Mexico to the United States and other countries.
- As a final project, have students write [a shape poem](#) using important words and facts from the unit in the shape of Mexico.
