Read aloud, translate, and other accommodations

Why World Book Online?

World Book Online is designed for the student researcher. The range of topics and features spans the curriculum to support a variety of subjects, grade levels, and research needs.

- ✓ Find reliable information in a variety of sources for papers and projects.
- ✓ Easily format citations in MLA, APA, and Harvard formats using the citation builder.
- ✓ Organize thinking and outline ideas with printable graphic organizers.
- ✓ Access to such primary source documents as presidential papers and Supreme Court decisions.
- ✓ Look up answers for homework assignments.
- ✓ Download pictures and videos to use in reports.
- ✓ Look up definitions or learn parts of speech with the electronic dictionary.
- ✓ Compare and contrast animals and places.
- ✓ Stay informed with Behind the Headlines, current events, and world newspapers.

What's next?

1. Make student access easy by adding shortcuts to all classroom devices. [Click here](#) for instructions.
2. Create login cards for student desks. [Click here](#) for ready-made cards.
3. Inform students by handing out a letter about *World Book Online*. [Click here](#) for a letter to print or email.
4. Stay in the know and get timely ideas for the classroom with our newsletter. Sign up [here](#).

Are you looking for an activity to support your next lesson? Do you want to learn how others use *World Book Online* in the classroom? Visit the Training Guide at www.worldbookonline.com/training for ideas, to sign up for Professional Development, and more!
