Read aloud, translate, and other accommodations

Why *World Book Online*?

The range of topics and features provides users of all ages, abilities, and interests a place to explore in a safe, trusted environment. World Book products are tiered; each one is designed for a target age group so the word choice, amount of content, and navigation is age appropriate. Each resource builds upon the previous to grow with students as they move through school.

- ✓ Access to such primary source documents as presidential papers and Supreme Court decisions.
- ✓ Look up definitions or learn parts of speech with the electronic dictionary.
- ✓ Easily format citations in MLA, APA, and Harvard formats using the citation builder.
- ✓ Look up answers for homework assignments.
- ✓ Organize thinking and outline ideas with printable graphic organizers.
- ✓ Download pictures and videos to use in reports.
- ✓ Compare and contrast animals and places.
- ✓ Stay informed with behind the headlines, current events, and world newspapers.

What's next?

1. Make student access easy by adding shortcuts to all classroom devices. [Click here](#) for instructions.
2. Create login cards for student desks. [Click here](#) for ready-made cards.
3. Inform parents and guardians by sending home a letter about *World Book Online*. [Click here](#) for a letter to send home.
4. Stay in the know and get timely ideas for the classroom with our newsletter. Sign up [here](#).
