

World Book Advanced

World Book Advanced is a powerful reference tool that includes full encyclopedic and multimedia databases supplemented with online books, primary sources, website links, back in time articles, special reports, and more.

In the Headlines

In the Headlines, located at the top of the page, offers up-to-the-minute news stories from a customizable RSS feed.

Citation Builder

Users choose the type of content for which they're creating a citation—for example, a book or a magazine. The citation will then display in MLA, APA, and Harvard formats.

Teaching with Documents

Teaching with Documents are lesson plans focusing on one or more primary source images. These feature historical background text, discussion questions, and worksheets.

Webquests

Found on *World Book Advanced's* Educator Tools page, webquests are print-and-go activities designed to help build students' foundational knowledge by taking them on grade-range-correlated expeditions through World Book Online.
