program

Why *World Book Online*?

The range of topics and features provides users of all ages, abilities, and interests a place to explore in a safe, trusted environment. World Book products are tiered; each one is designed for a target age group so the word choice, amount of content, and navigation is age appropriate. Each resource builds upon the previous to grow with students as they move through school.

✓ Mini-lesson materials for
teachers

✓ Reinforce concepts with
educational games

✓ Engage young
learners with real-life
media

✓ Compare and contrast

✓ Practice basic skills

✓ Nonfiction leisure
reading

✓ Material kids understand
and can use independently
